

OPEL GTC

2017 Models Edition 1

FREE YOUR SPIRIT

GTC. The designer's dream made reality. With a choice of models, from effortlessly sporty to positively engaging. Brilliantly in tune with your driving emotions, GTC takes Opel's dynamic performance mindset to the limit, with striking details and an unashamedly full-on attitude. GTC: never have three small letters promised so much excitement.

This brochure covers GTC SRi and Limited Edition models only. Some of the images illustrate options and accessories available at extra cost. And not all of the features described are available on all models. Due to the limitations of the printing process, the colours reproduced throughout this brochure may vary slightly from the actual paint colour. As a result, they should be used as a guide only. Your Opel dealer has a comprehensive display of our paint samples.

DRIVE YOUR EMOTIONS

Bold. Pure. Iconic. GTC puts passion high on the agenda. Its stunning, coupé-like profile and distinctive, blade-inspired lines speak volumes about Opel's design philosophy. With dramatic styling cues. And a poised, muscular stance, set off by signature lighting. In short: a clear declaration of sporting intent. And presence to die for.

➤ IMPROVE YOUR DRIVETIME

Keep in touch, entertained and ahead of the queues with the latest premium GTC in-car communication systems featuring satellite navigation, Digital radio facility, aux-in socket, USB connection and Bluetooth® connectivity as standard.

1. Navi 650 satellite navigation system. Standard on both models the Navi 650 features the very latest in sat nav with seven-inch colour screen. It gives you fast access to map data and points of interest to keep you informed and on the move. Highlights also include a CD/MP3 CD player, DAB radio, AM/FM stereo radio with 36 station presets, USB connection and aux-in socket, six speakers, seven-band graphic equaliser, Digital Sound Processor, 4 x 20W output – and excellent sound quality. The DAB radio also means digital quality sound, a broader range of stations, easier to find by name and improved track display info on some stations.

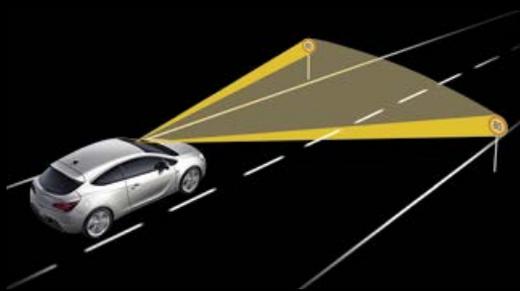

Navi 950 IntelliLink. Upgrade to this navigation system and you'll also be able to make calls and stream audio from your smartphone, tablet or other portable device using Bluetooth®. It even features voice commands for navigation and phone calls. So you stay connected for every minute of your journey. Optional at extra cost.

1

➤ SAFEGUARD YOUR INTERESTS

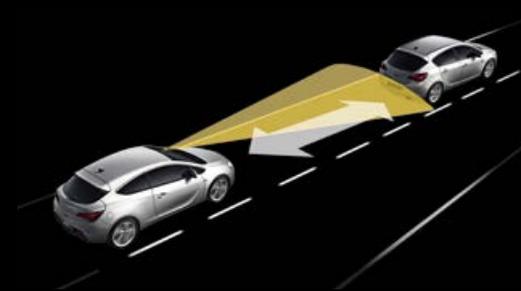

GTC combines advanced electronic options with proven safety features like the Opel Eye Driving Assistance Pack – featuring the innovative front camera system – or front, side and curtain airbags and reinforced passenger safety cell with pre-defined deformation zones.

Traffic Sign Recognition (TSR). Utilising the front camera function, this clever system makes sure you're constantly made aware of speed limits, even when temporary signs are put up. TSR continually monitors road signs, and gives you a warning if you unintentionally stray over the limit. It can even read and display motorway electronic signs related to speed limits like rain or snow warnings.

Lane Departure Warning (LDW). LDW uses the front camera system to recognise lane marking lines, and emits an audible warning if your vehicle leaves its lane unintentionally (i.e. without you signalling), preventing potential accidents and reminding you of inattention or tiredness. The LDW system can be deactivated via a facia switch.

Forward Collision Alert (FCA). Available as part of the Driving Assistance Pack, FCA constantly shows the distance to the leading vehicle in the instrument panel, helping you to maintain a safe distance. In addition, FCA – active when the car is moving faster than 20mph – gives visual and audible warnings if you approach a slower-moving vehicle too fast.

➤ FULFIL YOUR POTENTIAL

Visually, GTC takes your breath away. Performance-wise, it carries your strongest emotions in its wake. Poised, engaging and precise, the GTC chassis establishes the agile, spirited feel that characterises the car as a whole. Better still, the suspension has been carefully tuned to suit the specific demands of most road surfaces, using specialist input from renowned chassis experts.

GTC drivers can choose from three powerful yet efficient turbocharged engines each matched to a slick, six-speed transmission. Petrol engines include a free-revving 140PS 1.4i Turbo and a 1.6i Direct Injection Turbo, producing an uncompromising 200PS. Our diesel unit is equally impressive. A new versatile 1.6CDTi ecoFLEX common rail 'Whisper diesel' unit developing 136PS.

Start/Stop technology. With power comes responsibility. So GTC also features Opel's cutting edge Start/Stop fuel saving and emissions reduction technology. The innovative system switches the engine off when you stop at the lights or in traffic, then restarts it automatically once the clutch is depressed. A wide range of in-built safety checks ensures total peace-of-mind in all circumstances. It's fitted to all GTC models.

Class-leading Sports suspension. Front-wheel drive cars with powerful engines place excessive demands on conventional McPherson strut front suspension systems. Under heavy acceleration – especially in tight bends – front traction is compromised, resulting in torque steer which can affect the car's stability. The compact HiPerStrut (High Performance Strut) system isolates the steering from the effects of engine torque, boosting steering precision and grip. It also improves handling and enhances ride quality. The compact Watt's Link rear suspension delivers the stability benefits of multi-link systems without their weight and space penalties.

FlexRide chassis settings. With the mere touch of a button, this optional feature allows you to change the GTC's whole driving dynamics – from 'Sport' to 'Tour' and back again. Using Continuous Damping Control (CDC) technology, FlexRide automatically adjusts the dampers for excellent grip. In 'Tour' mode, it chooses the best settings for gentler straight-line driving. Switch to 'Sport' mode and it instantly sharpens the response of the speed-sensitive steering, accelerator and automatic transmission (if fitted). It also changes the colour of the ambient instrument lighting – from a cool white to a more dynamic red effect.

> SRi

Feature highlights include:

Infotainment

- Opel OnStar
- Navi 650 audio unit
- Satellite navigation
- 7-inch colour screen
- DAB/FM/AM radio
- CD player
- Bluetooth® phone and music streaming
- USB and aux-in connection for MP3 music connectivity
- Steering wheel controls for phone, music and cruise control

Interior/styling features

- Air conditioning
- Sports front seats
- Three-spoke leather-covered steering wheel
- Steering column adjustable for reach/rake
- Driver's and front passenger's seat height adjuster
- Front seat back storage pockets
- 60/40 split-folding rear seat back
- Multi-function trip computer

Exterior/styling features

- Rain-sensitive windscreen wipers
- Automatic lighting control
- Electro-chromatic anti-dazzle rear-view mirror
- Front fog lights
- Electrically operated front windows
- Electrically adjustable/heated door mirrors
- 17-inch alloy wheels (1.4i Turbo 140PS)
- 18-inch multi-spoke alloy wheels (1.6CDTi 136PS)

Engine availability

1.4i Turbo (140PS) Start/Stop

1.6CDTi (136PS) Start/Stop ecoFLEX

1.6iCDTi model illustrated features Lava Red brilliant paint, optional at extra cost.

Model illustrated features FlexRide, electric parking brake, front and rear parking distance sensors, Electronic Climate Control and Infinity® Premium Sound System, all optional at extra cost.

17-inch alloy wheels – 1.4i models only.

20-inch alloy wheels, optional at extra cost.

➤ LIMITED EDITION

Additional features over and above SRi models:

Interior/styling features

- Leather seat trim
- Sports front seats with leather seat facings and Morrocana-trimmed side bolsters
- Ergonomic sports driver seat with four-way electrical lumbar adjustment and tilt/height adjustable
- Extendable front seat cushions
- Heated front seats

Available with all exterior colours except Deep Sky Blue
and Emerald Green.

†Ergonomic driver's seat only.

Due to the limitations of the printing process, the colours reproduced may vary slightly from the actual trim material. As a result, they should be used as a guide only. Your Opel dealer has a comprehensive display of our trim swatches.

**YOUR PERSONAL CONNECTIVITY
AND SERVICE ASSISTANT.**

Opel OnStar¹ gives you an incomparable feeling of safety, 24/7, 365 days a year. You can access our unique services at the touch of a button, nearly everywhere in Europe.

Best of all, it's free of charge for the first 12 months on all GTC models. Even for your Wi-Fi Hotspot² you will get a free data trial period³.

Driving will never be the same again.

WHAT ONSTAR CAN DO FOR YOU.

SOS

Automatic Crash Response.

In the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor, who will be immediately connected to your car. The advisor will assess the situation and if needed notify the emergency services and provide them with your exact GPS location¹.

Wi-Fi Hotspot².

Your car is online! The extra-powerful OnStar roof antenna gives you a stable and quick Internet connection and creates a Wi-Fi Hotspot³ for up to seven devices¹.

Smartphone App.

At the touch of a button, remotely lock/unlock your doors, check your oil life or sound the horn and flash the lights¹.

Stolen Vehicle Assistance.

If someone steals your car, call our OnStar advisors and give them the reference number the Garda Síochána give you. The advisor will then provide the Garda Síochána with the location and prevent your car from being restarted so it can be recovered¹.

Vehicle Diagnostics.

Whenever you want you can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you wish, OnStar can also send you a monthly e-mail with this key data.

Destination Download.

Searching for an alternative route, a restaurant, a petrol station or anywhere else you might need? Just press the Service Button! Our advisors will provide you with the address. They can automatically download the location to your Opel's navigation system^{1,4}.

YOUR PRIVACY. YOUR CALL.

You are in control of what OnStar can and cannot do!

- Once you've registered and activated OnStar, you can access every OnStar Service available on GTC models. To ensure security, several services will ask for your PIN.
- Press and hold the Privacy Button for approximately five seconds to mask your car's location at any time. If you change your mind, press the Privacy Button again for approximately five seconds to reveal your location. Only in emergencies⁵ can OnStar override this.
- OnStar Europe Ltd t/a Opel OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (i.e. Adam Opel AG and General Motors Ireland Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

¹The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator.

²Wi-Fi is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check www.opel.ie/onstar for terms and conditions, details of availability, coverage and charges. ³For details please check www.opel.ie/onstar ⁴An embedded Opel navigation unit and map data are requirements for this service. ⁵In events such as a crash or if your vehicle is stolen.

HOW CAN I GET ONSTAR?

Opel OnStar is standard on all GTC models.

To get it:

1. Request OnStar when you order your new Opel GTC.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase Wi-Fi Hotspot¹ data packages separately from the network provider by following the instructions on www.opel.ie/onstar/aftermytrial

¹ Wi-Fi is subject to mobile network coverage and availability.

HOW MYOPEL SERVICES DO MORE FOR YOU.

myOpel is your one-stop shop to manage everything to do with your Opel – from your Opel OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Opel you drive.

- Manage your Opel – take care of your Opel online, book a service
- Access your Opel OnStar Services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, latest news and current events
- Dealer locator – find your nearest Opel dealer

If you already are an Opel OnStar customer, you can access all the myOpel services. Otherwise, you can register for myOpel by following these easy steps:

1. When you order your car, your dealer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. myOpel anytime anywhere!

To easily access myOpel from your smartphone, just download the app from the Google Play Store or from the Apple App Store.

PETROL ENGINES		DIESEL ENGINE	
	1.4i (140PS) with Start/Stop	1.6i Turbo (200PS) with Start/Stop	1.6CDTi (136PS) with Start/Stop
Capacity	1364cc	1598cc	1598cc
Maximum power	140PS (103kW) @ 4900-6000rpm	200PS (147kW) @ 5500rpm	136PS (100kW) @ 3500-4000rpm
Maximum torque	200Nm (147 lb.ft.) @ 1850-4900rpm	280Nm (206 lb.ft.)* @ 1650-3500rpm	320Nm (236 lb.ft.) @ 2000rpm

Fuel/induction system	Water-cooled turbocharger with intercooler. Variable Valve Timing (VVT). Multi-point sequential fuel injection	Water-cooled turbocharger with intercooler. Variable Valve Timing (VVT). Central direct fuel injection	Variable geometry turbocharger with intercooler. Common rail fuel injection. Diesel Particulate Filter
Emission compliance	Euro 6		
Service interval	30,000km or 1 year (whichever occurs sooner)		

* = Increased to 300Nm (221 lb.ft.) with overboost.

Transmission

Six-speed manual gearbox:
Standard on all models.

Steering

- Power-assisted steering
- Turning circle (kerb-to-kerb):
– all models 10.9m (35.7ft.)

Suspension

Front: Independent. HiPerStrut sports suspension with gas-pressure dampers and coil springs. Anti-roll bar.

The HiPerStrut (High Performance Strut) front suspension improves grip and allows more power to be applied during cornering.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs with Watt's link and gas-pressure dampers.

Brakes

All models feature:

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Hydraulic brake fade assist
- Cornering brake control
- Emergency brake assist

Body

- Aerodynamic drag co-efficient: Cd 0.33

Anti-corrosion warranty

- 12-year body panel anti-perforation warranty

Fuel tank capacity

- 56 litres (12.3 gallons)

Wheels and tyres

- All models feature an emergency tyre inflation kit

SRi: 17-inch alloy wheels with 235/55 R 17 tyres (1.4i Turbo (140PS) models only)

SRi: 19-inch alloy wheels with 235/45 R 19 tyres (optional at extra cost)

SRi: 20-inch alloy wheels with 245/40 R 20 tyres (optional at extra cost)

Limited Edition: 20-inch bi-colour alloy wheels with 245/40 R 20 tyres

TYRE RATING

Tyre size	Fuel efficiency group	Wet grip performance	External noise	
			Measured (dB)	Group
235/55 R 17	E	B	68	
235/45 R 19	E	B	68	
245/40 R 20	E	B	71	

Tyre rating according to EU Regulation 1222/2009

LUGGAGE CAPACITIES* litres (cu.ft.)

Rear seats up	380 (13.4)
Rear seats down	1165 (41.1)

Please note fitment of Infinity® Sound System reduces load volume by 38 litres.

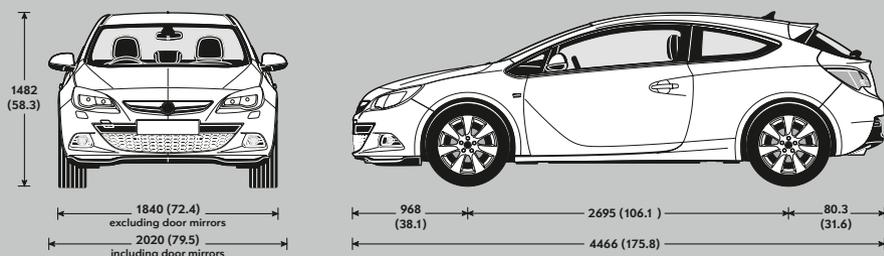

* = Measured using the ECIE method.

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
Petrol		
1.4i Turbo (140PS) Start/Stop manual	1960	1350 (700)
1.6i Turbo (200PS) Start/Stop manual	1990	1500 (730)
Diesel		
1.6CDTi (136PS) Start/Stop ecoFLEX manual	2010	1500 (730)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Opel towing attachments and accessories available from your Opel Dealer. They are designed specifically for Opel models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 120km/h. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

EXTERIOR DIMENSIONS millimetres (inches)

PERFORMANCE, FUEL CONSUMPTION AND EMISSIONS

	Wheel size (inches)	Performance (manufacturer's figures)		Fuel consumption litres/100km [#]			CO ₂ emissions (g/km) [#]
		Maximum speed km/h	Acceleration 0-100km/h (sec)	Urban driving	Extra-urban driving	Combined figure	
Petrol							
1.4i Turbo (140PS) Start/Stop manual	17	201	9.7	7.5	5.0	5.9	139
	19	201	9.7	7.6	5.2	6.0	142
1.6i Turbo (200PS) Start/Stop manual	20	230	7.9	8.2	5.3	6.3	149
Diesel							
1.6CDTi (136PS) Start/Stop ecoFLEX manual	19/20	198	10.2	5.0	4.0	4.3	115

[#]Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

Opel Service.

Europe-wide Customer Service.

Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

New Vehicle Warranty.

General Motors Ireland Limited (referred to as 'Opel') guarantees for motor vehicles of its manufacture, that each vehicle is free from defects according to the state of the art for a period of: The first 2 years carry an unlimited mileage warranty. The 3rd year of warranty has a mileage limitation of 100,000km for Passenger Cars & Car derived vans, for Combo, Vivaro and

Movano the limitation is 150,000km. The warranty is valid from delivery from the supplying Opel Distributor or from first registration, whichever occurs first (warranty start date).

Opel Roadside Assistance.

This free-of-charge mobility service is valid for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the dealer, depending on which date comes first. No matter where you are, the Opel Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organisation of onward transportation, e.g. via rail or air (please see programme conditions).

12-year Anti-Perforation Warranty.

Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

2-year Warranty for Opel Batteries.

With a 2-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

Parts and Accessories Service.

Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.

Opel on the Internet.

Need instant information? At www.opel.ie you can access a wealth of information on all Opel cars, services, and accessories. Get online for Opel news and product updates.

Recycling.

Information about Design for Recycling, Take-Back points for End of Life Vehicles (ELVs) and the recycling of ELVs can be found on the Opel website www.opel.ie

In case of any questions, please ask your Opel dealer. More information can be found at www.opel.ie

www.opel.ie

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (October 2016). Opel vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to change specifications and withdraw products from sale without notice. Any such alterations will be notified to Opel dealers at the earliest opportunity; please consult your local dealer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Opel website. The colours reproduced in this brochure may vary slightly from the actual paint colour or trim material due to the limitations of the printing process. Please note that Opel dealers are not the agents of General Motors Ireland Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. As part of Opel's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources.
